Tillman in Chicago.

The Senator, Undaunted by thing. I torgot forty years ago Threats, Made his Speech on the Race Problem in the Windy City.

Chicago, Nov. 28.—The efforts of the colored citizens of Chicago to prevent United States Senator Benjamin R. Tillman from delivering an address here tonight in Orchestra Hall was unsuccessful. When the South Carolina Senator arrived in Chicago early in the afternoon he was told of threat ered injunction proceedings to prevent him from appearing on the platform and of a money consideration that had been offered if he would cancel his engagement, but Mr. Tillman expressed scorn for both. Until he leaves for Fond Du Lac. Wisconsin, tomorrow, Senator Tillman will be guarded by police and private detectives. This is in accordance with an order issued by Mayor Edward F. Dunne, who was scheduled to preside at tonight's meeting, but who refus ed to have anything to do with ticket and bamboozling those the affair after a committee of colored citizens visited him a few days ago.

Senator Tillman gave his address protected by 40 detectives. In anticipation of trouble a number of policemen were kept at nearby stations in reserve, but they were not called for. Six negro policemen mingled with the crowd which blocked the street in front of the hall.

In the audience were many negroes, but they listened to Se nator Tillman's remarks good naturedly and although he was interrupted many times the meet ing passed off without trouble.

In leading up to his address, "Shall the United States Annex Cuba?" Mr. Tillman took oc casion to criticise Mayor Dunne's action in refusing to preside at the meeting. "I have been told that I have been snubbed by the mayor of this city," said the senator. "I did not ask Mayor Dunne to be here tonight. If any one has been snubbed it is ie gracious ladies, who pland this meeting to secure money he Chicago Union Hospital o requested Mayor Dunne ture of a political hour, forward and add his

Finally Mr. Tillman seemed ance in the gallery.

"Oh, shut your mouth. You don't know your A B C of this more than you ever knew."

"You make up your minds that equality before the law which the fitteenth amendment guarantees is right and should be enforced, notwithstanding its results. If this law was enforced it would result in two States at least being dominated absolutely by negroes, while four other States would be so near being governed by the negro that there would practically be an equal division of offices."

"I am surprised that there should be any talk in this city of a negro uprising to prevent a lecture which is for the benefit of the hospital which has never yet closed its doors to one of the colored race.
